Portfolio: akanwa.webstackpro.pro +234 803 342 3861 jc.cross88@gmail.com Owerri, Imo State, Nigeria

PROFESSIONAL PROFILE

Tech-savvy IT professional with 5+ years providing day-to-day technology support while growing digital presence. Keeps computers, networks and web systems running smoothly for schools and businesses, and manages their social media to reach and engage more parents, customers and students. Skilled in hardware repair, network configuration, WordPress, social media management and content creation.

WORK EXPERIENCE

IT & Social Media Officer — Hefshiba School, Surulere, Lagos 2018 – 2021

- Administered the school's ICT infrastructure, including computer laboratories, network and internet connectivity; cut downtime with regular maintenance.
- Configured, maintained and repaired desktops, printers and peripherals; gave day-to-day technical support to staff and students.
- Managed the school's digital presence — ran Instagram, Facebook and WhatsApp pages, designed fliers in Canva and published updates that grew engagement with parents and the community.

IT / Computer Technician — ABC Transport PLC Oct 2020 – 2024

- Troubleshoot and repaired computer hardware and software issues across the company.
- Installed and configured computer systems, networks and peripheral devices.
- Provided first-line technical support to staff by phone, email and in-person visits.

WordPress Developer — Fintech Hub, Owerri 2024 – 2025

- Developed and maintained WordPress websites for fintech clients, focused on performance, security and responsive design.

UI/UX Designer — Nacole Computers 2024 – 2025

- Designed intuitive user interfaces and improved user experiences for web applications, turning client requirements into clean, functional designs.

EDUCATION

B.Sc Maritime Management & Technology — Federal University of Technology, Owerri 2013 – 2017

Computer Training & Web Development — Wof ICT Center, Owerri 2020 – 2023

Fullstack Web Development Certification — Wof ICT Center, Owerri 2026

West African Senior School Certificate (WAEC) 2012
